THE NEW YORK AND LIVERPOOL UNITED

Capt. Oliver Eldridge. Capt. Jos. Comstock. Capt. James West. These ships have been built by contract expressly for government lervice; every care has been taken in their construction, as also in deir engines, to insure strength and speed; and their accommodations or passengers are unequalled for elegance and comfort. The steamers of this line have improved water-tight compartments, and no express has been spared to make them all as good as new; the thorough examination given them proves their mode of construc-

the thorough examination given them proves their mode of construc-tion ver usequation.

Price of passage from New York to Liverpool in first cabin, \$130;

An experienced surgeon attached to each ship. No berth can be secured until paid for. From New York.

From Nete York.

ror the particular works and materials reserved to an activate excitations and plans.

As upon a portion of the line the titles are not yet acquired by the mited States, there may be some delay in commoncing the work serven; but for such unavoidable delays due allowance will be made

thereon; but for such unavoidable delays due allowance will be made
in the time of completion.

Portions only of some of the works can be completed under the preent appropriation; but all contracts for unfinished work will be subject to future appropriations by Congress. The engineer reserves the
right to prescribe the amount of work to be done and rate of progress
under each contract for each appropriation; and in case of the appropriation not holding out sufficiently, to decide when and what works
shall be stopped ontil funds become available.

In case of the cutive stoppage of any particular work for want of
funds, the reserved ten per cent, will be peak, if, in the judgment of
the engineer, the work has been properly executed so far as it has
gone.

From Tayments will be made in specie checks upon the United States treasury upon the monthly estimates of the engineer, reserving 10 per cent, and it will be a condition of all contracts that the workmen shall be paid their full wages monthly, and in specie.

All bids should be scaled, and endorsed "Proposals for work or materials on the Washington Aqueduct."

The United States reserves the right to reject any or all the bids should they not be deemed advantageous, and to make such strangements as may be considered most conductive to the progress of the work.

ments as may be consumed most consumers as may be written guarantee, signed by one or more responsible persons, to the effect that he or they undertake that the bidder or bidders will, if his or their hid be accepted, enter into an obligation, within ten days, with good and sufficient securities, for the completion of the work undertaken; said guarantee to be accompanied by the certificate of the United States district judge, United States district afteriney, many agent, or some officer of the general government or individual known to the Engineer or Department of War, that the guarantees are able to make good thair constants. guarantee.

Bids will be opened in presence of bidders, if any of them choose to M C MEGS, be present.

Capt. of Engineers, in charge.

PORM OF GUARANTEE;

I hereby certify that, to the best of my knowledge and belief, the bove-named guaranters are good and sufficient.
